Pre-Call Questionnaire for New Businesses

Thank you for booking a call. These 20 questions help me understand your idea or new business, your goals and what is standing in your way, so our call can go straight to what will help you most and I can recommend the right support. Choose the answer that fits best, or write your own under "Other". It takes about 8 minutes, and everything you share stays confidential.

Please reply with your answers (for example: 1B, 2C, 3A) at least 24 hours before our call. Questions marked "up to two" allow two answers.
